

2019 Plymouth Speedway Race Procedures

Heat Races

With the exception of Mods, Pill Draw determines heat race lineups.

Mods will group qualify during their hot lap session. If you DO NOT go out with your group you will start at the tail of your heat. You will NOT go out in any other group.

8 laps each division

*all Heat races are on a time limit of 8 minutes. The Race Director will modify lap counts if needed.

- 1-10 cars: 1 Heat Race – All to A Feature
- 11-20 cars: 2 Heat Races – All to A Feature
- 21+ cars: 3+ Heat Races – A B-MAIN may be ran. The Race Director will determine number of cars transferring to the A-FEATURE

A Feature

20 cars will start the features on the big track.

18 cars will start the feature on the small track.

With exceptions for special events/sanctioning bodies are in attendance.

- UMP Modified – 25 laps
- CSR Sprints – 20 laps
- Super Street – 20 laps
- Thunder Stock – 20 laps
- 600 non-wing Sprints – 20 laps

*all lap counts can be modified by the Race Director

*all A-Feature races are on a time limit of 25 minutes. The Race Director will modify lap counts if needed.
